

As I start to write this, spring has finally arrived. The weather is starting to get warm and hopefully people will start getting in the mood to shoot.

I have seen a lot of Marathons being offered this spring, in Doubles, Singles and Handicap. Most of these will be 500 target events. Also there were some clinics offered to shooters so they could improve their skills. I would say one of the best things I ever did for my shooting was take a clinic. There are also several special shoots taking place this spring. Look at the Indiana Trapshooter web site for information.

I would like to congratulate the Indiana shooters who won trophies at the Southern Grand. They are: V. Tank Lunsford, John Rousell, Brandon Sullivan, Monte Morrison, Jacob Guthrie, Garl Gresley, Roger Thompson, Devon Harris, Greg Bauserman, and Jeffery Webb.

Plans are already being made for another great Indiana State Shoot July 9th -14th . I hope that our State Shoot will be part of your plans for this coming year. Also remember the Indiana Zone Shoots. They are May 10-12, Northern Zone-Fulton County Gun Club and Southern Zone- Indian Creek Shooting Center. May 3-5, Central Zone- Roachdale Gun Club.
