

Well, it has finally gotten cold here in Indiana. We have even had some snow. Most registered shooting has stopped until next spring. But if you still want to get some good shooting in, a lot of clubs will have turkey shoots, game shoots, and calcuttas through the winter months. It is also a good time to just go the club, drink some coffee, and talk to the guys and gals. I know some of the club owners are starting to think about spring and what kind of work will need to be done at the gun club. They are also thinking of what big shoots will be held at the club. Let the club know that, as a member, you will be glad to help out in any way you can. I am sure it would be much appreciated.

I want to congratulate everyone that made the Indiana State Teams. It takes a lot of hard work and dedication to make the state team. 2013 Indiana All State Teams Men's All State First Team Average 1. Eric Shroyer .9557 2. Devon Harris .9527 3. Jason Seitz .9517 4. I hope everyone got what they wanted for Christmas that can be used for the upcoming shooting year. I always get a gift certificate to my local gun club to buy shooting supplies.

I am already looking forward to spring. I am ready to get out and shoot some registered targets. If anyone is looking for a good clinic to attend in the spring, Indian Creek Shooting Center in Georgetown, Indiana will have Ricky Marshall giving a two-day clinic on May 17-18. I know that Ricky gives an excellent clinic. For information about the clinic, you can call the gun club at 812-951-3031 and ask for Wanda.

Remember to mark your calendar for the Indiana State Shoot July 8-13 at the Indiana Gun Club in Fortville, IN.
