

As we come to the close of another summer of shooting here in Indiana, I hope everyone has achieved the goals that you set for yourselves. I know I am already looking forward to next year and trying to set some new goals for myself, as well as meeting some goals I didn't meet this past shooting season. One thing I will be able to do this winter is to catch up on reading all of my Trap and Field magazines that I didn't have time to read this past summer. The winter also gives me time to reload a lot of shells and be ready to shoot when spring arrives.

I would like to congratulate all the Indiana shooters who won trophies at the Grand American. They were: Jack Curry, Cody Sullivan, Brandon Sullivan, John Hardin, Tank Lunsford, David Wade, Robert Hardy, Devon Harris, Scott Norris, Raymond Strabavy, TomStrabavy, Wayne Downham, Jeffrey Webb, Bobby Hubble, John Howard, Mark Jamison, David, Norris, Richard Garmene III, Michael Welte, Mary Lynne Downham, William Anderson, Colton Bright, Jerry Brown, Alex Vannatta, Daniel Herod, Vernon Brown, Timothy May, David Christman, Alexander Raleigh, Griffin Collins, Elvin Key, Ron Zimmerman, Bob by Bolden, Carl young, Terry Hicks, Lloyd Christman, Loren Dixon , and John Roussel.

There are a lot of clubs in Indiana that will throw targets all winter. If you want to shoot some registered targets and get a jump on next year, go to our website, "Indiana Trapshooters". There is a list of the gun clubs and the dates they shoot registered targets.

Mark your calendars for the Indiana State Shoot July 7-12 and the ATA Central Zone at Evansville, IN. July 31 and Aug. 1-2
