

Greetings Shooters!

Welcome to 2017! I hope each of you had a very Merry Christmas and a safe & happy New Years. My wish is 2017 will bring each of you good health and an abundance of success on the trapfields!

Make sure you have your calendars marked for the Indiana State Shoot next year. It will be held July 4-9, 2017. The Indiana Trapshooters Association Board of Directors have been busy this fall & winter preparing for the 2017 IN State Shoot as well as putting a lot of time, effort and funds into our homegrounds at Indiana Gun Club. If you have any questions about the State Shoot about sponsorships, vending, camping or anything really in general please let me know. I am happy to announce that the ITA Spectator Experience will be back again this year after its successful launch in 2016. Roxie Antczak has been busy working on this and the ITA is very grateful for all she does with this event.

Speaking of the ITA Board of Directors, I don't think I announced the BOD for 2017 in my article following the State Shoot this year. Mr. Bob Reynolds is the new ITA President for this year, and Dave Cates is our Vice President in addition to a Southern Zone Director, with Bill Radwan continuing as our Secretary/Treasurer, and Don Carlton will be the very active Ex-Officio for this term. Southern Directors in addition to Dave Cates are Dave Wade and Larry Schauss. Central Zone Directors are Keith Weller, myself Jason Barnett, and Mike Williams. In the North Zone, Directors are Bill Mager and Don Barker, and our newest Director, Ron Dicke. I thank each of these gentlemen for their involvement with the ITA BOD and look forward to a great year of working with each of them.

As always, don't hesitate to let me know if you need anything. My email is itajason@outlook.com.

Jason Barnett
ATA Delegate-Indiana
