MEET THE NEW AIM COORDINATOR

Hey Indiana AIM friends! As we gear up for another year, I wanted to take the time to introduce myself as your new Indiana AIM Coordinator. Many of you may know me, as I have been an active AIM member since 2012. Now its come time that I switch roles from shooter to administrator. I would like to express my appreciation for long time AIM supporter Keith Weller, in helping me take on this new role. I am excited to grow Indiana AIM and make the program the best it has ever been! I am a strong believer in the benefits and value the AIM

Program holds for youth shooters, as they are the future of trapshooting. I am hopeful that the knowledge I have gained during my time as an AIM shooter will help in sharing this value with all Indiana youth teams. My main objective as AIM Coordinator is to introduce as many young people as possible to trapshooting. I am very honored to be able to give back to the sport that has given me so much. If you or your team have any questions, please feel free to reach out to me at any time.

I wish you all many broken targets!
Chrissy Byrd
